

Pentamark 830250

Tame the wild. The rugged new Jeep Cherokee has been redesigned to suit your sophisticated lifestyle. While the Hill Descent Control, Electronic Stability Program and proven Selec-Trac® 4WD System takes you to just about anywhere, the MyGIG™ Infotainment system with Navigation always safely brings you back home again. Even the weather's been taken into account with Automatic Temperature Control and the new Sky Slider™ roof. So you see, we haven't changed our spots, we've just added a few.

The new, all Jeep Cherokee. Jeep
