

INTRODUCING JEEP COMPASS. THE URBAN RECREATIONAL VEHICLE.

It's time to start having fun with the city in our new breed of "go anywhere" urban vehicles, the new Jeep Compass. It comes with an advanced 125 kW 2.4L engine, Freedom-Drive I™ four-wheel-drive system, Electronic Stability Program (ESP) with Brake Assist, 18-inch alloy wheels, leather interior, a 458-watt Boston Acoustics® 9-speaker sound system, and MP3 compatibility.
